

Explanatory notes

Column 1: Cost of staying away from main home

The Additional Costs Allowance (cost of staying away from main home/ACA) is paid to reimburse Members for necessary costs incurred when staying overnight away from their main home for the purpose of performing parliamentary duties. From 1 April 2009 the name of this allowance was changed to Personal Additional Accommodation Expenditure (PAAE). Inner London Members do not receive this allowance. From 1 April 2010 this allowance did not apply to any MP with a constituency within 20 miles of the Palace of Westminster.

2008/09 ACA Maximum of £24,006

2009/10 PAAE Maximum of £24,222

2010/11 PAAE Maximum of £24,803 (£2,446 pro-rata for the pre Election period, subject to outstanding contractual obligations)

London Costs Allowance

The London Costs Allowance replaced the London Supplement in April 2009. It may be claimed by any Member, including Members who do not represent London constituencies, providing they do not claim Personal Additional Accommodation Expenditure. As with the London Supplement, the London Costs Allowance is payable with the monthly salary, it is subject to tax and National Insurance, and is not pensionable.

From 1 April 2010 this was automatically be paid to all MPs with a constituency within 20 miles of the Palace of Westminster (the PAAE did not apply)

2008/09 London Supplement: £2,916

2009/10 London Costs Allowance £7,500

2010/11 London Costs Allowance £7,500

Column 3: Office running costs

Column 4: Staffing costs

These budgets support Members in undertaking their parliamentary and constituency work. Budget flexibilities (see below) between these allowances and between years mean that they should be considered together.

The Incidental Expenses Provision (IEP) can be used to meet the cost of: accommodation for office or surgery use; equipment and supplies for office or surgery; work commissioned or other services; and certain travel and communications. The Staffing Allowance is paid to enable Members to employ staff. Staff salaries are paid directly to staff by the House of Commons Department of Resources. The IEP can also be used to cover certain staff related costs.

In April 2009 the IEP was renamed Administrative and Office Expenditure (AOE) and the Staffing Allowance became Staffing Expenditure.

Members are also allowed to carry forward unused funds in the IEP/AOE and Staffing Allowance from one allowance year to the next or to draw down an advance from the next year's budget. In both cases the Member's allowance limit will be increased or decreased

2008/09 IEP maximum of £22,193

2008/09 Staffing Allowance maximum of £90,854

2009/10 AOE maximum of £22,393

2009/10 Staffing Expenditure maximum of £103,812

2010/11 AOE maximum of £24,803 (£2,446 pro-rata for the pre Election period, subject to outstanding contractual obligations)

2010/11 Staffing Expenditure maximum of £105,265 (£10,382 pro-rata for the pre Election period, subject to outstanding contractual obligations)

Members'allowances expenditure April 2009 - March 2010

This column sets out costs incurred from central budgets, including:

- a temporary secretarial allowance for additional help when Members' staff are absent due to sickness or maternity leave;
- additional security costs for the office up to a maximum entitlement of £1,500;
- exceptional needs support which provides for short term additional help to Members whose constituencies have particular problems;
- 2008/09 and 2009/10 only, a winding-up allowance (WUA) payable to defeated or retiring Members after the date on which they cease to be Members of Parliament. This covers the reimbursement of the cost of any work necessary, including staff and office costs, to conclude their parliamentary business after the date on which they cease to be Members of Parliament. 2010/11 Winding Up Costs are detailed separately in the 2010/11 expenditure report

Column 7: Communications Allowance

The Communications Allowance is used to meet expenses for:

- Regular reports and constituency newsletters
- Questionnaires and surveys
- Petitions
- Targeted communications
- Contact cards
- Distribution costs including direct mailing and postage
- Websites

Funds can be transferred from the Incidental Expenses Provision and Staffing Allowance to the Communications Allowance. However, funds cannot be transferred from the Communications Allowance to any other parliamentary allowance.
