

## Members Travel Expenditure April 2010 - General Election

**Travel Notes.** Prior to the General Election in May 2011 the allowances were administered by the House of Commons. This responsibility transferred to IPSA on 7 May 2011.

Members' travel entitlements cover the cost of travel on parliamentary business within the UK; European travel; and select committee travel to and from committee embarkation points (but not the cost of the visit itself). The table does not include travel on parliamentary select committee or delegation business. Certain elements of the travel allowances are taxable.

Columns 1 – 4 relate to journeys undertaken by MPs between Westminster/Home/Constituency and within the constituency itself on parliamentary business

### Column 1 Mileage

This column includes car or motorbike mileage undertaken in a vehicle that is owned by the Member. The figure also includes travel undertaken in a vehicle not owned by the Member. This may include car hire, taxi fares, and other travel in a vehicle belonging to a third party. Claims for these journeys are made using the following mileage rates.

Mileage rate: first 10,000 miles per year at the rate of 40p per mile, and over 10,000 at 25p per mile

Motorbike mileage rate: 24p per mile

### Column 2 Rail and Column 3 Air

These columns include the costs associated with travelling by rail (including tube) or air.

### Column 4 Other Travel

This column includes mileage undertaken by bicycle and the cost associated with travelling by bus and ferry, the cost of season tickets and business car parking.

Bicycle mileage rate: 20p per mile

Columns 5 – 7 relate to journeys undertaken elsewhere in the UK on parliamentary business under the categories of mileage, rail and air.

### Column 8 European travel

Travel and subsistence costs for up to 3 visits per year to EU institutions, EU agencies, the national parliaments of EU member states, European Free Trade Association states, or candidate countries.

Columns 9 – 14 relate to journeys undertaken by MPs' spouses, family and staff

Columns 9 - 12: Members' spouse and family travel

Members' spouses, civil partners and children up to the age of 18 are each entitled to up to 30 single journeys each year between London and the constituency or the Member's main home. The figures relate to total costs and numbers of journeys made. Family travel, and some elements of spouse travel, is subject to tax.

Columns 13 - 14: Members' employee travel

Each Member is entitled to claim costs of up to a total of 24 single journeys for staff per year between Westminster and the constituency. The figures relate to total costs and numbers of journeys made.
