

## **Conservative Hereditary Peers' By-election**

This note confirms the arrangements for the by-election following the death of Earl Ferrers.

### ***Electors***

Earl Ferrers was elected under Standing Order 9(2)(i)(b), among the “42 peers elected by the Conservative hereditary peers”. Therefore, under Standing Order 10(2), the electorate will be the excepted hereditary peers belonging to the Conservative party, of whom there are currently 48. A list is given below.

### ***The candidates***

Those eligible to be candidates are the hereditary peers on the Register maintained by the Clerk of the Parliaments.

The deadline for registration of candidature was 5pm on Wednesday 9 January 2013. 27 candidates have registered to stand in this by-election, and a list is given below.

### ***Voting timetable***

Ballot papers will be posted to the electors by Electoral Reform Services on Wednesday 16 January. Completed papers are required to be returned to the Clerk of the Parliaments either by post or in person by **5pm on Tuesday 5 February**. Ballot papers received after this time will not be counted. Electors should use the pre-addressed envelopes that will be sent out along with the ballot papers.

### ***Voting system***

The Alternative Vote System will be used. Voters place the figure 1 in the box next to the name of the candidate they most strongly support, the figure 2 against the next most favoured candidate, and so on. Voters may express as many or as few preferences as they wish. In order to be elected, the successful candidate must receive at least as many votes as all the other candidates put together. In the event of this not happening after first preference votes have been allocated, the votes of the candidate receiving the lowest number of first-preference votes will be shared out according to the second preference marked on them. This will be repeated until one candidate has at least half of the total number of votes (excluding any eliminated because all preferences have been exhausted).

Ballot papers will be invalidated if:

- any number is used more than once; or
- in the opinion of the Returning Officer (the Clerk of the Parliaments) the ballot paper is illegible or ambiguous.

### ***The results***

The count will be conducted by Electoral Reform Services.

The result will be announced in the House of Lords chamber by the Clerk of the Parliaments at a convenient moment on Wednesday 6 February.

The full results, including the number of first preference votes cast for each candidate, will be available in the Printed Paper Office as soon as possible after the announcement by the Clerk of the Parliaments. The results will also be published online at [www.parliament.uk](http://www.parliament.uk).
