De David

Thank you for your letter of 12 December. The Committee has considered this matter further today.

The Committee has decided that it is minded to publish the reports arising from the sectoral analyses undertaken by the Government that were provided to the Committee on 27 November but with the "Sector Views" sections redacted from each report.

In accordance with the assurances that I have previously provided, I would be grateful if you could inform me by Tuesday 19 December whether there is any specific material in the sections of the documents that the Committee has indicated that it intends to publish that you would wish not to be made public on the grounds that it was commercially, market or negotiation sensitive information.

Yours faithfully
H. Benn

Rt Hon Hilary Benn MP
Chair of the Committee
