*Dear Foreign Secretary*

I am writing regarding the current humanitarian situation of migrants in Bosnia Herzegovina. I have enclosed a report I received regarding this situation for your information.

I am very concerned to hear that there seems to be a lack of support and a coordinated response in addressing this humanitarian situation. I write to ask you what the UK is doing to help improve the international community's response to ensure that the situation of these migrants improves before the weather deteriorates further.

We will be placing this letter and your response in the public domain.
