Please see enclosed a letter to me from Oliver McTernan and Julian Weinberg of Forward Thinking raising concerns about the treatment of Dr Abdelmoneim Aboufotouh, which they say is emblematic of wider human rights problems in Egypt.

I would be grateful if you could let me have your observations on the letter, which I would expect the Committee to publish unless there are compelling reasons not to do so. I would be grateful if you could let me know the UK Government's position on the treatment of Dr Aboufotouh specifically, and on the broader issues the letter raises. I would appreciate it if the Committee would have a response by 4 October.

Thank you in advance.

Chair of the Foreign Affairs Committee
