DRAFT STATEMENT – KEITH & GILLIAN RALLS – 7 MAY 2019

I would like to read out for the record an agreed statement on behalf of Keith & Gillian Ralls (Petition No. AP2-14), who will not be appearing today.

You may recall that Mr & Mrs Ralls are the owners of Long Compton Farm, to the north of Swynnerton and immediately to the north of the A51. They appeared before you last June seeking a roundabout to be provided at the junction of the new Tittensor Road and the A51, rather than the T-junction proposed in the Bill.

The issue was covered in your Second Special Report last year¹, and in its response the Promoter undertook to include a roundabout in the second Additional Provision to the Bill (AP2).

Mr & Mrs Ralls petitioned against the AP2 roundabout proposal saying that whilst it was a significant improvement on the T-junction, they felt that a better solution would be to move the ‘eye’ of the roundabout about 30 metres further north of the position proposed in AP2.

Following engagement with Mr & Mrs Ralls, most recently a meeting at their home on 4 April 2019, the Promoter has given Mr & Mrs Ralls an assurance that it will use reasonable endeavours to move the roundabout further to the north and/or west of its current position, subject to obtaining any additional land or consents which may be required.

Separately to their AP2 petition, Mr & Mrs Ralls have reiterated their desire to move from Long Compton Farm at the earliest opportunity. On 25 April 2019, the Promoter spoke to Vickie Parry of Hinson Parry, Mr & Mrs Ralls’ land agent, to advise that the next step would be for Mr & Mrs Ralls to submit a blight notice and a request for their second hereditament to be acquired under atypical circumstances. Once submitted, the Promoter would consider any such requests as expeditiously as possible.

¹ Not part of the statement but provided for background: see paragraph 32 of the Committee's report in respect of Swynnerton Parish Council and paragraph 36 of the Promoter's response:

35. In paragraph 32 of the report the Select Committee said:

   "HS2 Ltd should build a roundabout where the diverted Tittensor Road meets the A51."

36. The Promoter will include a roundabout where the diverted Tittensor Road meets the A51 in the second Additional Provision to the Bill.
