Maximus/Brandon Muir & Williams/Stafford Borough - joint statement

“HS2, Maximus Strategic Stafford LLP and the landowners have reached an Agreement which allows the proposed development to be granted planning permission and implemented alongside the HS2 railway. The Agreement is currently being signed by the parties. The Promoter will sign and complete the Safeguarding Agreement within 14 days (or sooner if reasonably practicable) of being provided a copy signed by the Petitioner and the required landowners, and will provide copies to the Petitioners as soon as reasonably practicable after completion.

Upon completion, Maximus will withdraw their petition against the Bill and the landowners will withdraw their petition so far as it relates to the planning permission and development. Stafford Borough Council, the local planning authority for the planning application, have confirmed that they will also withdraw their petition to the Bill upon the completion of the agreement. HS2 will inform the Committee of the progress of the agreement and confirm once it has been completed.”
