Dear Secretary of State,

MHCLG: CONTINGENT LIABILITY - GRENFELL

Thank you for your letter of 31 May presenting the Departmental Minute which was laid in the House on 21 May. The minute informed the House of a new contingent liability associated with the government's plan to take ownership of the Grenfell Tower site.

On the basis of the information contained within the minute, I can confirm that I have no issues to raise on the Department's proposal to take on the contingent liability.

I am copying this letter to the Chair of the Housing, Communities and Local Government Committee, Clive Betts.
