Dear Permanent Secretary

Thank you for your letter today relating to the Eurotunnel settlement. The Public Accounts Committee asks that the Department provide it with the text of the terms of settlement and any associated documentation that would enable the Committee to understand the precise terms of the agreement reached between the Government and Eurotunnel. I would be grateful if this material could be emailed to the pubaccom@parliament.uk before the end of today.

I am grateful for your suggestion that Permanent Secretary at the Department for Health and Social Care attend the evidence session. Having reviewed the Hansard of the Urgent Question I do not believe that Sir Chris need attend.

Yours sincerely,

MEG HILLIER MP
CHAIR OF THE COMMITTEE OF PUBLIC ACCOUNTS
