Dear Nicky Morgan MP

I am pleased to inform you that, after a thorough and comprehensive global search, London Stock Exchange Group announced today the appointment of David Schwimmer as Chief Executive Officer. He will join the Group on 1 August 2018 and will be a member of the Board of Directors, LSEG plc. David Warren, Interim CEO and Group CFO, will continue as Group CFO and a member of the Board.

David Schwimmer, 49, joins LSEG after a twenty year career at Goldman Sachs and will be relocating to London. Most recently, David was Global Head of Market Structure and Global Head of Metals and Mining in Investment Banking at Goldman Sachs. David brings a strategic perspective on the drivers of growth and innovation in financial markets infrastructure. He has extensive experience leading diverse and high performing teams in dynamic markets. He also brings deep experience in capital markets, having advised blue-chip corporate clients across sectors and regions on mergers and acquisitions, initial public offerings and other transactions.

He places a strong emphasis on the role that market infrastructure groups play in supporting companies of all sizes across the UK and globally and in ensuring well-run and operationally sound platforms.

I know he would value the opportunity to meet you in due course once he has taken up his appointment and to support the Treasury Committee in its work.

Yours sincerely

Donald Brydon
