Dear Chair

I am writing further to my appointment hearing on Wednesday 12 September and in particular to the written statements that I provided at that time.

It was my intention that when I handed over my responsibilities as Pro Director of Research at the London School of Economics and Political Science to my successor in January this year, that I would also step down from the University Senior Management Team (SMT). However, although I have handed over my responsibilities as Pro Director of Research I am remaining on the SMT for three years, but with a revised set of responsibilities which fully takes account of the time I need to commit to the PRC.

Please do not hesitate to contact me if you require any additional information.

Yours sincerely,

Julia Black  
Prudential Regulation Committee External Member
