Dear Nicky,

## **GENDER PAY GAP**

In my letter of 30 October, I explained that the Treasury intended to publish our Gender Pay Gap Report in November, and that I would share a copy of our report with you at the same time.

Since then, it has been agreed that Government Departments should take a co-ordinated approach and publish their reports on the same day, likely to be during the week commencing 11 December.

Please accept my apologies for the short delay. I will write to you again with a copy of our report when it is ready for publication.

*Yours,  
Tom.*
