If a Driver accepts (either directly or through an Uber Affiliate in the Territory acting as agent for the Customer/Driver) User’s request for Transportation Services, the Uber Services will provide certain User Information to such Driver via the Driver App, including the User’s first name and pickup location. 2.4. **Customer’s Relationship with Uber** Customer acknowledges and agrees that Uber’s provision to Customer of the Driver App and the Uber Services creates a legal and direct business relationship between Uber and Customer. Uber and its Affiliates in the Territory do not, and shall not be deemed to, direct or control Customer or its Drivers generally or in their performance under this Agreement specifically, including in connection with the operation of Customer’s business, the provision of Transportation Services, the acts or omissions of Drivers, or the operation and maintenance of any Vehicles. Whilst authorized to provide Transportation Services under this Agreement, Customer and its Drivers retain the sole right to determine when and for how long each of them will utilize the Driver App or the Uber Services. Customer and its Drivers retain the option, via the Driver App, to decline or ignore User’s request for Transportation Services via the Uber Services, or to cancel an accepted request (whether such request was accepted directly or via an Uber Affiliate in the Territory acting as agent) for Transportation Services via the Driver App, subject to Uber’s then-current cancellation policies. The foregoing does not apply if Customer and Uber have agreed otherwise or if so required by law. Customer acknowledges and agrees that it has complete discretion to operate its independent business and direct its Drivers at its own discretion, including the ability to provide services at any time to any third party separate and apart from Transportation Services. For the sake of clarity, Customer understands that Customer retains the complete right to provide Transportation Services to its existing customers and to use other software application services in addition to the Uber Services. Uber retains the right to, at any time in Uber’s sole discretion, deactivate or otherwise restrict Customer or any Driver from accessing or using the Driver App or the Uber Services in the event of a violation of this Agreement, a violation of a Driver Addendum, Customer’s or any Driver’s disparagement of Uber or any of its Affiliates, Customer’s or any Driver’s act or omission that causes harm to Uber’s or its Affiliates’ brand, reputation or business as determined by Uber in its sole discretion. Uber also retains the right to deactivate or otherwise restrict Customer or any Driver from accessing or using the Driver App or the Uber Services for any other reason at the sole and reasonable discretion of Uber.

Customer shall require each Driver to enter into Driver Addendum (as may be updated from time to time) and shall provide copy of each executed Driver Addendum to Uber. Customer acknowledges and agrees that Uber is a third party beneficiary to each Driver Addendum, and that, upon Driver’s execution of the Driver Addendum (electronically or otherwise), Uber will have the irrevocable right (and will be deemed to have accepted the right

2.6.1. Customer acknowledges and agrees that: (a) after receiving Transportation Services, a User will be prompted by Uber’s mobile application to provide a rating of such Transportation Services and Driver and, optionally, to provide comments or feedback about such Transportation Services and Driver; and (b) after providing Transportation Services, the Driver will be prompted by the Driver App to provide a rating of the User and, optionally, to provide comments or feedback about the User. Customer shall instruct all Drivers to provide ratings and feedback in good faith.

2.6.2. Customer acknowledges that Uber desires that Users have access to high-quality services via Uber’s mobile application. In order to continue to receive access to the Driver App and the Uber Services, each Driver must maintain an average rating by Users that exceeds the minimum average acceptable rating established by Uber for the Territory, as may be updated from time to time by Uber in its sole discretion (“Minimum Average Rating”). In the event a Driver’s average rating falls below the Minimum Average Rating, Uber will notify Customer and may provide the Driver in Uber’s discretion, a limited period of time to raise his or her average rating above the Minimum Average Rating. If such Driver does not increase his or her average rating above the Minimum Average Rating within the time period allowed (if any), Uber reserves the right to deactivate such Driver’s access to the Driver App and the Uber Services. Additionally, Customer acknowledges and agrees that repeated failure by a Driver to accommodate User requests for Transportation Services while such Driver is logged in to the Driver App creates a negative experience for Users of Uber’s mobile application. Accordingly, Customer agrees and shall ensure that if a Driver does not wish to provide Transportation Services for a period of time, such Driver will log off of the Driver App.

2.6.3. Uber and its Affiliates reserve the right to use, share and display Driver and User ratings and comments in any manner in connection with the business of Uber and its Affiliates without attribution to or approval of Customer or the applicable Driver. Customer acknowledges that Uber and its Affiliates are distributors (without any obligation to verify) and not publishers of Driver and User ratings and comments, provided that Uber and its Affiliates reserve the right to edit or remove comments in the event that such comments include obscenities or other objectionable content, include an individual’s name or other personal information, or violate any privacy laws, other applicable laws, or Uber’s or its Affiliates’ content policies.

2.7. **Devices.**

2.7.1. Uber encourages Customer to use Driver-Provided Devices for providing the Transportation Services. Otherwise, Uber will supply Customer upon request with Uber Devices to each authorized Driver and provide the necessary wireless data plan for such Devices, provided that Uber will require reimbursement from Customer for the costs associated with the wireless data plan of each Uber Device and/or request a deposit for each Uber Device. Customer acknowledges and agrees that: (a) Uber Devices may only be used for the purpose of enabling Driver access to the Uber Services (such Uber Devices do not allow for telephone calls or SMS not associated with the Uber Services but do include basic functionality such as the Uber Device’s calculator, etc.); and (b)
Uber Devices may not be transferred, loaned, sold or otherwise provided in any manner to any party other than the Driver assigned to use such Uber Device. Uber Devices shall at all times remain the property of Uber, and upon termination of this Agreement or the termination or deactivation of a Driver, Customer agrees to return to Uber the applicable Uber Devices within ten (10) days. Customer acknowledges and agrees that failure to timely return any Uber Devices, or damage to Uber Devices outside of “normal wear and tear”, will result in the forfeiture of related deposits.

2.7.2. If Customer elects to use any Driver-Provided Devices: (i) Customer and/or its Drivers are responsible for the acquisition, cost and maintenance of such Driver-Provided Devices as well as any necessary wireless data plan; and (ii) Uber shall make available the Driver App for installation on such Driver-Provided Devices. Uber hereby grants the authorized user of any Driver-Provided Device personal, non-exclusive, non-transferable user right to install and use the Driver App on a Driver-Provided Device solely for the purpose of providing Transportation Services. Customer agrees to not, and shall cause each applicable Driver to not, provide, distribute or share, or enable the provision, distribution or sharing of, the Driver App (or any data associated therewith) with any third party. The foregoing right shall immediately terminate and Driver will delete and fully remove the Driver App from the Driver-Provided Device in the event that Customer and/or the applicable Driver ceases to provide Transportation Services using the Driver-Provided Device. Customer agrees, and shall inform each applicable Driver that: (i) use of the Driver App on a Driver-Provided Device requires an active data plan with a wireless carrier associated with the Driver-Provided Device, which data plan will be provided by either Customer or the applicable Driver at their own expense; and (ii) use of the Driver App on a Driver-Provided Device as an interface with the Uber Services may consume very large amounts of data through the data plan. Uber advises that Driver-Provided Devices should only be used under a data plan with unlimited or very high data usage limits, and Uber shall not be responsible or liable for any fees, costs, or overage charges associated with any data plan.

2.8. Location Based Services Customer acknowledges and agrees that each Driver’s geo-location information must be provided to the Uber Services via a Device in order to provide Transportation Services. Customer acknowledges and agrees, and shall inform and obtain the consent of each Driver, that: (a) the Driver’s geo-location information will be monitored and tracked by the Uber Services when the Driver is logged into the Driver App and available to provide Transportation Services, or when the Driver is providing Transportation Services; and (b) the approximate location of the Driver’s Vehicle will be displayed to the User before and during the provision of Transportation Services to such User. In addition, Uber may monitor, track and share a Driver’s geo-location information obtained by the Driver App and Device for safety, security, technical, marketing and commercial purposes, including to provide and improve Uber’s products and services.

3. Drivers and Vehicles

3.1. Driver Requirements Customer acknowledges and agrees that each Driver shall at all times: (a) hold and maintain (i) a valid driver’s license with the appropriate level of certification to operate the Vehicle assigned to such Driver, and (ii) all licenses, permits, approvals and authority applicable to Customer and/or Driver that are necessary to provide passenger transportation services to third parties in the Territory; (b) possess the appropriate and current level of training, expertise and experience to provide Transportation Services in a professional manner
with due skill, care and diligence; and (c) maintain high standards of professionalism, service and courtesy. Customer acknowledges and agrees that each Driver may be subject to certain background and driving record checks from time to time in order for such Driver to qualify to provide, and remain eligible to provide, Transportation Services. In addition if Customer and/or Driver are using the Uber App to provide Transportation Services in conjunction with operating a taxi ("Taxi Services"), such Customer and/or Driver shall comply with all applicable laws with respect thereto. Customer acknowledges and agrees that Uber reserves the right, at any time in Uber’s sole discretion, to deactivate or otherwise restrict a Driver from accessing or using the Driver App or the Uber Services if Customer or such Driver fails to meet the requirements set forth in this Agreement or the Driver Addendum.

3.2. **Vehicle Requirements.** Customer acknowledges and agrees that each Vehicle shall at all times be: (a) properly registered and licensed to operate as a passenger transportation vehicle in the Territory; (b) owned or leased by Customer, or otherwise in Customer’s lawful possession; (c) suitable for performing the passenger transportation services contemplated by this Agreement; and (d) maintained in safe, roadworthy and good operating condition, consistent with industry safety and maintenance standards for a Vehicle of its kind and any additional standards or requirements in the applicable Territory, and in a clean and sanitary condition which shall include maintaining at all times a valid Ministry of Transport Test Certificate for each Vehicle including, where applicable, in accordance with the terms of any relevant license.

3.3. **Documentation.** To ensure Customer’s and each of its Drivers’ compliance with all requirements in Sections 3.1 and 3.2 above, and to allow Uber and any of its Affiliates in the Territory to comply with their regulatory requirements, Customer must provide Uber with written copies of all such licenses, permits, approvals, authority, registrations and certifications ("Documentation") prior to Customer’s and the applicable Drivers’ provision of any Transportation Services. Thereafter, Customer must submit to Uber written evidence of all such Documentation as it is renewed. Uber shall, upon request, be entitled to review such licenses, permits, approvals, authority, registrations and certifications from time to time, and Customer’s failure to provide or maintain any of the foregoing shall constitute a material breach of this Agreement. Uber and any of its Affiliates in the Territory reserve the right to independently verify Customer’s and/or any Driver’s Documentation from time to time in any way Uber deems appropriate in its reasonable discretion and Customer consents, and represents and warrants that it has obtained consent from each of its Drivers, for Uber or any of its Affiliates in the Territory to undertake such verification.

4. **Financial Terms**

4.1. **Fare Calculation and Customer Payment** Customer is entitled to charge fare for each instance of completed Transportation Services provided to a User that are obtained via the Uber Services ("Fare"), where such Fare is calculated based upon base fare amount plus distance (as determined by Uber using location-based services enabled through the Device) and/or time amounts, as detailed at www.uber.com/cities for the applicable Territory ("Fare Calculation"). Customer is also entitled to charge User for any Tolls, taxes or fees incurred during the provision of Transportation Services, if applicable. Customer: (i) appoints Uber as Customer’s limited payment collection agent solely for the purpose of accepting the Fare, applicable Tolls and, depending on the region and/or if requested by Customer, applicable taxes and fees from the User on behalf of the Customer via the payment processing functionality facilitated by the Uber Services; and (ii) agrees that payment made by User to Uber shall be considered the same as payment made directly by User to Customer. In addition, the parties acknowledge and agree
that as between Customer and Uber, the Fare is a recommended amount, and the primary purpose of the pre-arranged Fare is to act as the default amount in the event Customer does not negotiate a different amount. Customer shall always have the right to: (i) charge a fare that is less than the pre-arranged Fare; or (ii) negotiate, at Customer’s request, a Fare that is lower than the pre-arranged Fare (each of (i) and (ii) herein, “Negotiated Fare”). Uber shall consider all such requests from Customer in good faith. Uber agrees to remit to Customer at least a weekly basis: (a) the Fare less the applicable Service Fee; (b) the Tolls; and (c) depending on the region, certain taxes and ancillary fees. If Customer has separately agreed, other amounts may be deducted from the Fare prior to remittance to Customer (e.g., vehicle financing payments, lease payments, mobile device usage charges, etc.), the order of those deductions from the Fare to be determined exclusively by Uber. Notwithstanding anything to the contrary in this Section 4.1, if Customer is providing Taxi Services, the following shall apply: (x) the Fare is calculated pursuant to local taxi regulations in the Territory; (y) Customer or Driver agrees to enter the exact Fare amount (as indicated by the official taxi meter in the Vehicle) into the Driver App upon completion of an instance of Transportation Services; and (z) in some jurisdictions, Users will pay such Customer or Driver directly rather than through Uber’s mobile application (Uber will notify Customer if (z) is applicable in its Territory).

4.2. Changes to Fare Calculation. Uber reserves the right to change the Fare Calculation at any time in Uber’s discretion based upon local market factors, and Uber will provide notice to Customer in the event of such change that would result in a change in the recommended Fare. Continued use of the Uber Services after any such change in the Fare Calculation shall constitute Customer’s consent to such change.

4.3. Fare Adjustment. Uber and/or its Affiliates in the Territory reserve the right to: (i) adjust the Fare for particular instance of Transportation Services (e.g., Driver took an inefficient route, Driver fails to properly end a particular instance of Transportation Services in the Driver App, technical error in the Uber Services, etc.); or (ii) cancel the Fare for a particular instance of Transportation Services (e.g., User is charged for Transportation Services that were not provided, in the event of a User complaint, fraud, etc.). Uber’s decision to reduce or cancel the Fare in any such manner shall be exercised in a reasonable manner.

4.4. Service Fee. In consideration of Uber’s provision of the Uber Services, Customer agrees to pay Uber a service fee on a per Transportation Services transaction basis calculated as a percentage of the Fare (regardless of any Negotiated Fare), as provided to Customer via email or otherwise made available electronically by Uber from time to time for the applicable Territory (“Service Fee”). Unless regulations applicable to Customer’s Territory require otherwise, taxes will be calculated and charged on the Fare, and Uber shall calculate the Service Fee based on the Fare inclusive of such taxes. Uber reserves the right to change the Service Fee at any time in Uber’s discretion based upon local market factors, and Uber will provide notice to Customer in the event of such change. Continued use of the Uber Services after any such change in the Service Fee calculation shall constitute Customer’s consent to such change. In addition, with respect to Taxi Services in the applicable Territory, Customer agrees to pay Uber a booking fee in consideration of Uber’s provision of the Driver App and the Uber Services.

4.5. Cancellation Charges. Customer acknowledges and agrees that Users may elect to cancel requests for Transportation Services that have been accepted by a Driver (either directly or via Uber’s Affiliate in the Territory acting as agent) at any time prior to the Driver’s arrival. In the event that User cancels an accepted request for Transportation Services, Uber may charge the User a cancellation fee on behalf of the Customer. If charged, this cancellation fee shall be
deemed the Fare for the cancelled Transportation Services for the purpose of remittance to Customer hereunder (“Cancellation Fee”). The parties acknowledge that and agree that as between Customer and Company, this Cancellation Fee is a recommended amount, and the primary purpose of such Cancellation Fee is to act as the default amount in the event Customer does not negotiate a different amount. Customer shall always have the right to: (i) charge a cancellation fee that is less than the Cancellation Fee; or (ii) negotiate, at Customer’s request, a cancellation fee that is lower than the Cancellation Fee (each of (i) and (ii) herein, a “Negotiated Cancellation Fee”). If charged, the Cancellation Fee (regardless of any Negotiated Cancellation Fee) shall be deemed the Fare for the cancelled Transportation Services for the purpose of remittance to the Customer hereunder.

4.6. Receipts As part of the Uber Services, Uber provides Customer system for the delivery of receipts to Users for Transportation Services rendered. Upon the completion of Transportation Services for a User by a Driver, Uber prepares an applicable receipt and issues such receipt to the User via email on behalf of the Customer and applicable Driver. Such receipts are also provided via email or the online portal available to the Customer on the Uber Services. Receipts include the breakdown of amounts charged to the User for Transportation Services and may include specific information about the Customer and applicable Driver, including the Customer’s entity name and contact information and the Driver’s name and photo, as well as map of the route taken by the Driver. Customer shall inform Drivers that any corrections to a User’s receipt for Transportation Services must be submitted to Uber in writing within three (3) business days after the completion of such Transportation Services. Absent such a notice, Uber shall not be liable for any mistakes in or corrections to the receipt or for recalculation or disbursement of the Fare.

4.7. No Additional Amounts Customer acknowledges and agrees that, for the mutual benefit of the parties, through advertising and marketing, Uber and its Affiliates may seek to attract new Users to Uber and to increase existing Users’ use of Uber’s mobile application. Customer acknowledges and agrees such advertising or marketing does not entitle Customer to any additional monetary amounts beyond the amounts expressly set forth in this Agreement.

4.8. Taxes Customer acknowledges and agrees that it is required to: (a) complete all tax registration obligations and calculate and remit all tax liabilities related to the provision of Transportation Services as required by applicable law; and (b) provide Uber with all relevant tax information (including a valid VAT number belonging to Customer and/or any Driver, if obtaining a VAT number is required of Customer and/or any Driver by applicable law). Customer further acknowledges and agrees that Customer and each of its Drivers are responsible for taxes on their own income arising from the performance of Transportation Services. Notwithstanding anything to the contrary in this Agreement, Uber may in its reasonable discretion based on applicable tax and regulatory considerations, collect and remit taxes resulting from Customer’s and/or any Driver’s provision of Transportation Services and/or provide any of the relevant tax information Customer and/or any Driver has provided pursuant to the foregoing requirements in this Section 4.8 directly to the applicable governmental tax authorities on Customer’s and/or the applicable Driver’s behalf or otherwise.

5. Proprietary Rights; License

5.1. License Grant Subject to the terms and conditions of this Agreement, Uber hereby grants Customer non-exclusive, royalty-free, non-transferable, non-sublicensable, non-assignable license, during the term of this Agreement, to use (and allows its Drivers to use) the Driver App in connection with the provision by Uber of the Uber Services solely for the purpose of providing
Transportation Services to Users and tracking resulting Fares and Fees. All rights not expressly granted to Customer are reserved by Uber, its Affiliates and their respective licensors.

5.2. **Restrictions** Customer shall not, and shall not allow any other party to: (a) license, sublicense, sell, resell, transfer, assign, distribute or otherwise provide or make available to any other party the Uber Services, Driver App or any Uber Device in any way; (b) modify or make derivative works based upon the Uber Services or Driver App; (c) improperly use the Uber Services or Driver App, including creating Internet “links” to any part of the Uber Services or Driver App, “framing” or “mirroring” any part of the Uber Services or Driver App, or “scraping” or otherwise improperly obtaining data from the Uber Services or Driver App; (d) reverse engineer, decompile, modify, or disassemble the Uber Services or Driver App, except as allowed under applicable law; or (e) send spam or otherwise duplicative or unsolicited messages. 5.3. **Ownership** The Uber Services, Driver App and Uber Data, including all intellectual property rights therein, and the Uber Devices are and shall remain the property of Uber, its Affiliates or their respective licensors. Neither this Agreement nor Customer’s use of the Uber Services, Driver App or Uber Data conveys or grants to Customer any rights: (a) in or related to the Uber Services, Driver App or Uber Data, except for the limited license granted above; or (b) to use or reference in any manner Uber’s, its Affiliates’, or their respective licensors’ company names, logos, product and service names, trademarks, service marks or other indicia of ownership. 8.2. Customer agrees to maintain during the term of this Agreement commercial general liability insurance that provides protection against personal injury, advertising injury and property damage to third parties at levels of coverage required by all applicable laws in the Territory.

8.3. Customer agrees to maintain during the term of this Agreement workers’ compensation insurance as required by all applicable laws in the Territory. If permitted by applicable law, Customer may choose to insure itself against industrial injuries by maintaining occupational accident insurance in place of workers’ compensation insurance. 8.4. Customer shall add Uber (or any Affiliate which may be designated by Uber from time to time) to Customer’s insurance policies required in Sections 8.1 and 8.2 above as an additional insured, and shall, upon Uber’s request, provide Uber with a copy of such insurance certificate(s) within seven (7) days of such request. 9. **Representations and Warranties; Disclaimers**

9.1. **By Customer** Customer hereby represents and warrants that: (a) it has full power and authority to enter into this Agreement and perform its obligations hereunder; (b) it is duly organized, validly existing and in good standing under the laws of the jurisdiction of its origin; (c) it has not entered into, and during the term will not enter into, any agreement that would prevent it from complying with this Agreement; (d) it will comply with all applicable laws in its performance of this Agreement, including holding and complying with all permits, licenses, registrations and other governmental authorizations necessary to provide (i) Transportation Services using the Drivers and Vehicles pursuant to this Agreement, and (ii) passenger Transportation Services to third parties in the Territory generally; and (e) it shall require all Drivers to comply with the Driver Addendum, the applicable terms and conditions set forth in this Agreement and all applicable laws.

9.2. **Disclaimer of Warranties.** Uber provides, and Customer accepts, the Uber Services, Driver App and the Uber Devices on an "as is" and "as available" basis. Neither Uber nor any of its Affiliates in the Territory represents, warrants or guarantees that Customer’s or any Driver’s access to or use of the Uber Services, Driver App or the Uber Devices: (a) will be uninterrupted or error free; or (b) will result in any requests for Transportation Services. Uber functions as an on-demand lead generation and related service only and makes no representations, warranties or guarantees as to the actions or inactions of the Users who may request (either directly or via an Uber Affiliate in the Territory acting as agent) or receive Transportation Services from Customer or any Driver hereunder, and Uber need not screen or otherwise evaluate Users. By using the Uber Services and Driver App, Customer acknowledges and agrees that Customer or a Driver may be introduced to a third party (including Users) that may pose harm or risk to Customer, a Driver or other third parties. Customer and Drivers are advised to take reasonable precautions with respect to interactions with third parties encountered in connection with the use of the Uber Services or Driver App. Notwithstanding Uber’s appointment as the limited payment collection agent of Customer for the purpose of accepting payment from Users on behalf of Customer as set forth in Section above, Uber expressly disclaims all liability for any act or omission of Customer, any Driver, any User or other third party.

9.3. **No Service Guarantee** Neither Uber nor any of its Affiliates in the Territory guarantees the availability or uptime of the Uber Services or Driver App. Customer acknowledges and agrees that the Uber Services or Driver App may be unavailable at any time and for any reason (e.g., due to scheduled maintenance or network failure). Further, the Uber Services or Driver App may be subject to limitations, delays, and other problems inherent in the use of the internet and electronic communications, and neither Uber nor any of its Affiliates in the Territory is responsible for any delays, delivery failures, or other damages, liabilities or losses resulting from such problems.
10. **Indemnification**

10.1. Customer shall indemnify, defend (at Uber’s option) and hold harmless Uber and its Affiliates and their respective officers, directors, employees, agents, successors and assigns from and against any and all liabilities, expenses (including legal fees), damages, penalties, fines, social security contributions and taxes arising out of or related to: (a) Customer’s breach of its representations, warranties or obligations under this Agreement; or (b) a claim by third party (including Users, regulators and governmental authorities) directly or indirectly related to Customer’s provision of Transportation Services or use of the Uber Services.

10.2. As between Customer and Uber, Customer is and shall be solely responsible for its Drivers’ provision of Transportation Services. As such, Customer shall indemnify, defend (at Uber’s option) and hold harmless Uber and its Affiliates and their respective officers, directors, employees, agents, successors and assigns from and against any and all liabilities, expenses (including legal fees), damages, penalties, fines, social security contributions and taxes directly or indirectly arising out of or related to its Drivers’ provision of Transportation Services or use of the Uber Services.

11. **Limits of Liability.** Uber and its Affiliates shall not be liable under or related to this Agreement for any of the following, whether based on contract, tort or any other legal theory, even if a party has been advised of the possibility of such damages: (i) any incidental, punitive, special, exemplary, consequential, or other indirect damages of any type or kind; or (ii) Customer’s, Driver’s or any third party’s property damage, or loss or inaccuracy of data, or loss of business, revenue, profits, use or other economic advantage. Except for Uber’s obligations to pay amounts due to Customer pursuant to Section 6 above, but subject to any limitations or other provisions contained in this Agreement which are applicable thereto, in no event shall the liability of Uber or its Affiliates under this Agreement exceed the amount of Service Fees actually paid to or due to Uber hereunder in the six (6) month period immediately preceding the event giving rise to such claim.

Customer acknowledges and agrees that any and all claims Customer has or purports to have against Uber and/or its Affiliates should be notified to Uber and/or its Affiliates within one (1) year after the event(s) that gave rise to such claim and that Customer forfeits all rights in respect of that claim if Customer fails to do so. Nothing in this Section 11 purports to limit or exclude liability that cannot be limited or excluded by applicable law.

12. **Term and Termination**

12.1. **Term** This Agreement shall commence on the date that the Agreement is executed by Customer (electronically or otherwise) and shall continue until terminated as set forth herein.

12.2. **Termination** Either party may terminate this Agreement: (a) without cause at any time upon seven (7) days prior notice to the other party; (b) immediately, without notice, for the other party’s material breach of this Agreement; or (c) immediately, without notice, in the event of the insolvency or bankruptcy of the other party, or upon the other party’s filing or submission of request for suspension of payment (or similar action or event) against the terminating party. In addition, Uber may terminate this Agreement or deactivate Customer or a particular Driver immediately, without notice, with respect to Customer and/or any Driver in the event Customer and/or any Driver, as applicable, no longer qualifies, under applicable law or the standards and policies of Uber, to provide Transportation Services or to operate the Vehicle, or as otherwise set forth in this Agreement.
12.3. **Effect of Termination** Upon termination of the Agreement, Customer and all Drivers, as applicable, shall: (a) promptly return to Uber all Uber Devices; and (b) immediately delete and fully remove the Driver App from any applicable Driver-Provided Devices. Outstanding payment obligations and Sections 1, 2.3, 2.5, 2.6.3, 4.7, 4.8, 5.3, 6, 7, 9, 10, 11, 12.3, 13, 1 and 15 shall survive the termination of this Agreement.

13. **Relationship of the Parties**

13.1. Except as otherwise expressly provided herein with respect to Uber acting as the limited payment collection agent solely for the purpose of collecting payment from Users on behalf of Customer, the relationship between the parties under this Agreement is solely that of independent contractors. The parties expressly agree that: (a) this Agreement is not an employment agreement, nor does it create an employment relationship (including from a labor law, tax law or social security law perspective), between Uber (or any of its Affiliates in the Territory) and Customer or any Driver; and (b) no joint venture, partnership, or agency relationship exists between Uber and Customer or Uber and any Driver.

13.2. Customer has no authority to bind Uber and undertakes not to hold itself out, and to ensure that each Driver does not hold himself or herself out, as an employee, agent or authorized representative of Uber or its Affiliates. Where, by implication of mandatory law or otherwise, Customer or any Driver may be deemed an employee, agent or representative of Uber, Customer undertakes and agrees to indemnify, defend (at Uber’s option) and hold Uber and its Affiliates harmless from and against any claims by any person, entity, regulators or governmental authorities based on such implied employment, agency or representative relationship.

13.3. Customer expressly acknowledges and agrees that by agreeing to the terms and conditions of this Agreement, Customer intends to perform Transportation Services in a non-incidental manner and, as such, Uber will consider Customer and its Drivers to be taxable persons in accordance with all applicable VAT and indirect tax legislation.

14. **Miscellaneous Terms**

14.1. **Modification** Uber reserves the right to modify the terms and conditions of this Agreement or the Driver Addendum at any time, effective upon publishing an updated version of this Agreement or the Driver Addendum, as applicable, on the online portal available to Customer or the Uber Services. Uber reserves the right to modify any information referenced at hyperlinks from this Agreement from time to time. Customer hereby acknowledges and agrees that, by using the Uber Services, or downloading, installing or using the Driver App, Customer is bound by any future amendments and additions to this Agreement, information referenced at hyperlinks herein, or documents incorporated herein, including with respect to Fare Calculations. Continued use of the Uber Services or Driver App after any such changes shall constitute Customer’s consent to such changes.

14.2. **Supplemental Terms** Supplemental terms may apply to Customer’s and Driver’s use of the Uber Services, such as use policies or terms related to certain features and functionality, which may be modified from time to time (“Supplemental Terms”). Customer may be presented with certain Supplemental Terms from time to time. Supplemental Terms are in addition to, and shall be deemed a part of, this Agreement. Supplemental Terms shall prevail over this Agreement in the event of a conflict.
14.3. **Severability** If any provision of this Agreement is held to be illegal, invalid or unenforceable, in whole or in part, under any law, such provision or part thereof shall to that extent be deemed not to form part of this Agreement but the legality, validity and enforceability of the remainder of this Agreement shall not be affected. In that event, the parties shall replace the illegal, invalid or unenforceable (part of the) provision with (part of a) provision that is legal, valid and enforceable and that has, to the greatest extent possible, a similar effect as the illegal, invalid or unenforceable (part of the) provision, given the contents and purpose of this Agreement.

14.4. **Assignment** Customer may not assign or transfer this Agreement or any of its rights or obligations hereunder, in whole or in part, without the prior written consent of the other party. Uber may assign or transfer this Agreement or any or all of its rights or obligations hereunder, in whole or in part, under this Agreement from time to time without consent.

14.5. **Entire Agreement** This Agreement, including the recitals and all Supplemental Terms, constitutes the entire agreement and understanding of the parties with respect to its subject matter and replaces and supersedes all prior or contemporaneous agreements or undertakings regarding such subject matter. In this Agreement, the words “including” and “include” mean “including, but not limited to.” The recitals form part of this Agreement.

14.6. **No Third Party Beneficiaries** Save where this agreement expressly confers rights on Uber Affiliates in the Territory, the parties acknowledge that there are no third party beneficiaries to this Agreement. Nothing contained in this Agreement is intended to or shall be interpreted to create any third party beneficiary claims.

14.7. **Notices**. Any notice delivered by Uber to Customer under this Agreement will be delivered by email to the email address associated with Customer’s account or by posting on the online portal available to the Customer or the Uber Services. Any notice delivered by Customer to Uber under this Agreement will be delivered by contacting Uber at http://partners.uber.com in the “Contact Us” section. Additional Territory-specific notices may be required from time to time.

15. **Governing Law; Arbitration.** Except as otherwise set forth in this Agreement, this Agreement shall be exclusively governed by and construed in accordance with the laws of The Netherlands, excluding its rules on conflicts of laws. The Vienna Convention on the International Sale of Goods of 1980 (CISG) shall not apply. Any dispute, conflict or controversy, howsoever arising out of or broadly in connection with or relating to this Agreement, including those relating to its validity, its construction or its enforceability, shall be first mandatorily submitted to mediation proceedings under the International Chamber of Commerce Mediation Rules (“ICC Mediation Rules”). If such dispute has not been settled within sixty (60) days after a Request for Mediation has been submitted under such ICC Mediation Rules, such dispute can be referred to and shall be exclusively and finally resolved by arbitration under the Rules of Arbitration of the International Chamber of Commerce (“ICC Arbitration Rules”). The ICC Rules’ Emergency Arbitrator provisions are excluded. The dispute shall be resolved by one (1) arbitrator to be appointed in accordance with the ICC Rules. The place of arbitration shall be Amsterdam, The Netherlands. The language of the arbitration shall be English. The existence and content of the mediation and arbitration proceedings, including documents and briefs submitted by the parties, correspondence from and to the ICC, correspondence from the mediator, and correspondence, orders and awards issued by the sole arbitrator, shall remain strictly confidential and shall not be disclosed to any third party without the express written consent from the other party unless (i) the disclosure to the third party is reasonably required in the context of conducting the mediation or arbitration proceedings, and (ii) the third party agrees unconditionally in writing to be bound by the confidentiality obligation stipulated herein.
