TENANT FEES BILL

Mr Speaker's provisional certificate (SO No. 83L) as at 4 September 2018

Under the provisions of Standing Order No. 83L, the Speaker must, after the conclusion of Report stage on any Government bill that has been amended since Second Reading, reconsider the Bill for certification. To assist Members, the Speaker has issued a provisional certificate in advance of Report stage. This takes account of changes made to the Bill in Public Bill Committee and Government amendments (but no others) tabled for consideration at Report stage. The Speaker will announce his final certification to the House as soon as possible after the end of Report stage.

The Speaker provisionally proposes to certify, on the basis of the material put before him, that, in his opinion the Tenant Fees Bill for the purposes of SO No. 83L(2) relates exclusively to England on matters within devolved legislative competence, as defined in Standing Order No. 83J.
