

Carpet used within the House of Lords chamber

Request:

I am writing to you under the Freedom of Information Act 2000/ Environmental Information Regulations to request the following information from the In-House Services and Corporate Services teams at the Houses of Parliament:

- **What type of carpet (brand name and carpet type/collection) is used within the chambers of the House of Commons and House of Lords?**

Response:

The House of Lords and House of Commons are separate organisations and also separate public authorities for the purposes of the Freedom of Information Act 2000.

The carpet in the House of Lords chamber is a Wilton Brussels weave carpet (supplied by Wilton Carpets Manufacturing Ltd).

We do not hold information relating to the House of Commons.
