Dear Hywel

Immigration Bill

I am writing to thank you and your Committee for its thoughtful consideration and scrutiny of the proposals in the Immigration Bill currently before Parliament.

I enclose the government's response to the Committee's conclusions and recommendations. I hope this response will allay the concerns the Committee had, as expressed in the report, and demonstrate the very careful consideration the government has given to the issues your Committee raised.

I am arranging for this letter and the government response to be deposited in the Libraries of both Houses.

*Yours ever
Mark*
