# Library Impact Report 2016/17

Impartial, Authoritative, Timely

## What we do

- Publish research briefings for business and provide a bespoke enquiry service
- Tailored coaching to assist Members and staff to find the information they need
- Provides access to a range of digital and print resources, including books, newspapers, journals, law reports and databases
- Provide a quiet and confidential workspace

## Looking ahead

- Continue to deliver high quality research and information services, with refinements to the Library's proactive research products
- Work with PDS, the Commons Library and POST to improve the digital delivery of research briefings
- Further empower Members to find information themselves through one-to-one coaching
