*Dear Andrew*

During your recent appearance in front of the Treasury Committee, you were asked whether or not you were aware of the allegations of potential criminal activity occurring at banks, whereby home repossessions and other such documents are not being signed by the authorised signatory. You noted you were aware and asked to be forwarded any evidence.

Given the nature of the allegations, the Committee requests that you engage with the Bank Signature Forgery Campaign directly to review the evidence they have, and that you take action as you think appropriate.

I have written in similar terms to the Director General of the National Crime Agency. I will be placing this letter in the public domain.

*Yours sincerely*  
*Nicky*

Rt Hon Nicky Morgan MP  
Chair of the Treasury Committee
