Dear Ms Owens

As you may be aware there have been allegations of potential criminal activity occurring at banks, whereby home repossessions and other such documents are not being signed by the authorised signatory.

Given the nature of the allegations, the Committee requests, if you have not already done so, that you engage directly with the Bank Signature Forgery Campaign to review the evidence they have and investigate as appropriate.

I have written in similar terms to the Chief Executive of the Financial Conduct Authority. I will be placing this letter in the public domain.

Yours sincerely
Nicky
