15 March 2017

Dear Andrew,

I have seen recent press reports which suggest that ONS statistics may be being leaked prior to their official release, and that this information is being used for inappropriate gain in financial markets. The Financial Conduct Authority will want to consider this matter, if it is not already doing so, given one of its objectives is to protect and enhance the integrity of the UK financial system.

I will be placing this letter, and your reply, in the public domain.

*Yours,
Andrew*

RT HON ANDREW TYRIE MP
CHAIRMAN, TREASURY SELECT COMMITTEE
