[P.T.O for Speaker's provisional certificate for purposes of SO No. 83J]

## **FINANCE (No. 3) BILL**

**Speaker's provisional certificate as at 4 January 2019**

**(SO No. 83L modified by SO No. 83S)**

Under the provisions of Standing Order No. 83L, the Speaker must, after the conclusion of Report stage on any government bill that has been amended since Second Reading, reconsider the Bill for certification under Standing Order No. 83J, as modified (in its application to Finance Bills) by Standing Order No. 83S.

To assist Members, the Speaker has issued a provisional certification in advance of Report stage. This takes account of changes made to the Bill in Committee of the whole House and in the Public Bill Committee and the Government amendments (but no others) tabled for consideration for Report. The Speaker will announce his final certification to the House as soon as possible after the end of Report stage.

The Speaker provisionally proposes to certify, on the basis of the material put before him, that, in respect of the Finance (No. 3) Bill, in his opinion Clause 3 relates exclusively to England, Wales and Northern Ireland on matters within devolved legislative competence, as defined in Standing Order No. 83J, as modified by Standing Order No. 83S.
