

SCIENCE FOR MPs' RESEARCHERS

The Parliamentary Office of Science and Technology invites you to an information session over lunch on **July 16, 2013 in the Attlee Suite**

Come and find out how the Parliamentary Office of Science and Technology (POST) and the House of Commons Library Science and Environment Section (SES) can support your work and benefit your MP and constituency.

This event will be hosted by the POST Chair Adam Afriyie, MP for Windsor.

- Discover the range of science advice and resources available for Members and their staff
- Meet staff from POST and SES and tell them about the issues that matter to your MP and constituency.

We look forward to discussing your suggestions for future POSTnotes

There will also be a prize for researchers who sign up to our mailing list at the event!!
