INDEX TO THE PARLIAMENTARY DEBATES

SIXTH SERIES

OFFICIAL REPORT
SESSION 2017–19

VOLUME 662

17th June, 2019—4th July, 2019

SCOPE

The index is derived from the headings that appear in Hansard.

The index includes entries covering the names of all Members contributing to the Parliamentary business recorded in Hansard, including Divisions.

REFERENCES

- References in the indexes are to columns rather than pages.
- There are separate sequences in Hansard for the material taken on the floor of the House, Westminster Hall sittings, written statements, written questions, ministerial corrections and petitions
 - References consisting of a number by itself indicate material taken on the floor of the House.
 - References ending in ‘wh’ indicate Westminster Hall sittings.
 - References ending in ‘ws’ indicate written statements.
 - References ending in ‘w’ indicate written questions.
 - References ending in ‘p’ indicate written petitions.
 - References ending in ‘mc’ indicate ministerial corrections.
- References under all headings except the names of Members contributing to Parliamentary business and the titles of legislation are listed in one numerical sequence irrespective of whether the material is taken on the floor of the House, is discussed at a Westminster Hall sitting, is a written statement or is a written question.
- References under the names of Members contributing to Parliamentary business are listed in numerical sequence under the following headings-
 - *Chamber Debates* (which includes interventions and points of order as well as significant contributions to debates);
 - *Westminster Hall Debates* (covering all debates held as part of the Westminster Hall sittings);
 - *Written Statements* (consisting of ministerial statements issued in writing);
 - *Questions* (which includes all written, oral and urgent questions); and
 - *Petitions* (which includes all oral and written petitions).
